

Name _____

Brainstorming Leadership

Here's a list of important qualities that many leaders possess. Pick Odysseus's 3 strongest qualities and his 3 weakest qualities- based on text support, and decide if he is a good or bad leader. Make sure that you have at least 2 examples of each quality (3 is best) before you call it a strength or a weakness. You need at least 1 quote that supports each quality. The other items of support can be paraphrases of examples (or quotes).
